Thank You,

Gabor and Candy!!

In 2003, Gabor and Candy Farkas moved from California to Littleton and started getting involved in ministry at Bethany. Over these years, they have been active in ministry in the children's and 5th and 6th grade ministries, graphic design, Sunday power point presentations, the Underground young adult ministry, and designing our new Bethany website. Gabor is planning to continue supporting our website with updates and maintenance from remote access.

Now, seven years later, Gabor and Candy are relocating their principal residence to southern Colorado and a town called Fox Creek, adjacent to the Rio Grande National Forest. This relocation is an important "next step" as they continue to prepare to return to Hungary to do missions work with Greater Europe Mission (GEM). Gabor and Candy spent time in Hungary first in 2006 and then for an extended time in 2008. They are excited about spending a full year in ministry in Hungary beginning sometime in 2011. They continue to see Bethany as their primary church home and we intend to be their sending church for their missionary work.

Please join us in thanking Gabor and Candy for the friendship, fellowship, and ministry that we've enjoyed together with them here at Bethany. Pray for them as they continue to prepare for following God's call to minister in Hungary.
